

Dongguan Fineco Automation Technology Co.,Ltd

COMPANY PROFILE

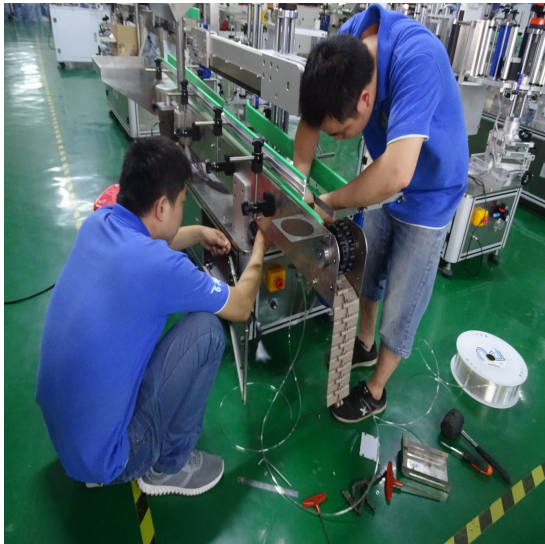

Located in China's most most dynamic industrial city , Fineco have been dedicating in providing satisfying labeling solution for domestic and overseas customers.The range of service covers: electronics, health products, food, beverage, alcohol, medical equipment, office stationery, cosmetics, toys etc.

Fineco has ISO9001: 2008 International Quality Management Certification, CE certificate, and more than 4000 square meters workshops and imported numerical control machinines.

Here are more than 100 professional technical engineers and they forms a team with high efficiency and innovation.

Our strong talent team can provide technical innovation and after-sales service. Their advanced concept and rich experience had successfully serviced many international customers.

Along with our country's prosperous economy, facing the great opportunity in packing machinery industry, Fineco makes a decision to make the best labeling machinery in the world. We make our best efforts to provide competitive, comprehensive solutions and create maximum values for customers in different industries and different countries.

Product Detail

*Can be applied to all kinds round and tapered round containers. *Tabletop labeler , portable and easy operation. *Support customization , such as adding a date printer.

FK602

Semi-automatic Round Bottle Labeling Machine

Meas.(cm)	Labeling Speed	Labeling Tolerance	Label Size	Product Size
102.0/66.0/73.0	15~25 pcs/min	±0.5mm	L:20mm~200mm W(H):20mm~220m m	φ15~φ150mm

Product Detail

*Can be applied to all kinds anti-tamper labeling and square bottle labeling. *Tabletop labeler , portable and easy operation. *Support customization , such as adding a date printer.

FK615

Semi-automatic Box Corner Wrap Labeling Machine

Meas.(cm)	Labeling Speed	Labeling Tolerance	Label Size	Product Size
94.0/59.0/95.0	15~25 pcs/min	±0.5mm	L:15mm~100mm W(H):15~110mm	L:20mm~200mm W:20~150mm H:0.2mm~120mm

Product Detail

*Can be applied to all kinds square bottle/can wrap around labeling. *Tabletop labeler , portable and easy operation. *Support customization , such as adding a date printer.

FK616

Semi-automatic Square Bottle Wrap Around Labeling Machine

Meas.(cm)	Labeling Speed	Labeling Tolerance	Label Size	Product Size
132.0/76.0/112.0	15~25 pcs/min	±0.5mm	L:15mm~200mm W(H):15~130mm	L:20mm~200mm W:20~150mm H:0.2mm~120mm

FK617

FINECO

Product Detail

*Can be applied to all kinds flat bottle and plane labeling. *Tabletop labeler , portable and easy operation. *Support customization , such as adding a date printer.

FK617

Semi-automatic Plane Labeling Machine

Meas.(cm)	Labeling Speed	Labeling Tolerance	Label Size	Product Size
123.0/66.0/113.0	15~25 pcs/min	±0.5mm	L:15mm~200mm W(H):15~130mm	L:20mm~200mm W:20~150mm H:0.2mm~120mm

FK618

Product Detail

*Can be applied to all kinds plane labeling with high precision requirement , labeling tolerance up to $\pm 0.2\text{mm}$. *Tabletop labeler , portable and easy operation. *Support customization , such as adding a date printer.

FK618

Semi-automatic High Precision Plane Labeling Machine

Meas.(cm)	Labeling Speed	Labeling Tolerance	Label Size	Product Size
123.0/66.0/113.0	15~25 pcs/min	$\pm 0.2\text{mm}$	L:10mm~70mm W(H):5~70mm	L:20mm~200mm W:20~150mm H:0.2mm~75mm

Product Detail

*Can be applied to all kinds round and tapered round containers wrap around labeling that less than 4/5 circle. *Opaque label is more recommended for this labeler type. *Liner labeler , can be connected to production line. *Support customization , such as conveyor height/width and adding a date printer.

FK803

Automatic Round Bottle Labeling Machine

Meas.(cm)	Labeling Speed	Labeling Tolerance	Label Size	Product Size
196.0/99.0/160.0	30~80 pcs/min	± 1mm	L:15mm~100mm W(H):15~130mm	Φ25mm~φ100mm

FK805

Product Detail

*Can be applied to all kinds round and tapered round containers wrap around labeling.
*Clear/Transparent label is more recommended for this labeler type. *Liner labeler , can be connected to production line. *Support customization , such as conveyor height/width and adding a date printer.

FK805

Automatic Round Bottle Labeling Machine

Meas.(cm)	Labeling Speed	Labeling Tolerance	Label Size	Product Size
210.0/137.0/157.0	25~60 pcs/min	±1mm	L:15mm~100mm W(H):15~130mm	Φ25mm~φ120mm

Product Detail

*Can be applied to all kinds small round labeling such as vials , ampoule.Or other cylindrical round objects that can not stand alone. *Feeding automatically. *Support customization , such as conveyor height/width and adding a date printer.

FK807

Automatic Small Round Bottle Labeling Machine

Meas.(cm)	Labeling Speed	Labeling Tolerance	Label Size	Product Size
201.0/75.0/173.0	100~300pcs/min	±1mm	L:15mm~100mm W(H):15~130mm	Φ10mm~φ30mm

Product Detail

- *Can be applied to all kinds flat bottle and plane labeling. *Can be connected to production line.
- *Support customization , such as custom labeler height/width and adding a date printer.

FK811

Automatic Plane Labeling Machine

Meas.(cm)	Labeling Speed	Labeling Tolerance	Label Size	Product Size
176.0/85.0/147.0	40~120 pcs/min	±1mm	L:15mm~100mm W(H):15~130mm	L:40mm~400mm W:40~200mm H:0.2mm~150mm

Product Detail

*Can be applied to all kinds cards,PE bags. *Can be connected to production line. *Support customization , such as custom labeler height/width and adding a date printer.

FK812

Automatic Card Labeling Machine

Meas.(cm)	Labeling Speed	Labeling Tolerance	Label Size	Product Size
213.0/85.0/147.0	40~120 pcs/min	±1mm	L:15mm~100mm W(H):15~130mm	L:20mm~200mm W:20~150mm H:0.2mm~1mm

*TOP/Side/Bottom Labeler
for production line*

Product Detail

*Can be applied to all kinds production line labeling. *Support customization , such as custom labeler height/width and adding a date printer. *Top/Side/Bottom available.

FK835

Production Line Labeling Head

Meas.(cm)	Labeling Speed	Labeling Tolerance	Label Size	Product Size
101.0/99.0/163.0	40~150 pcs/min	±1mm	L:15mm~100mm W(H):15~130mm	no limit

FK909

Product Detail

*Can be applied to all kinds flat/square/round container double side labeling simultaneously.

*Support customization , such as adding a date printer.

FK909

Semi-automatic Double Side Labeling Machine

Meas.(cm)	Labeling Speed	Labeling Tolerance	Label Size	Product Size
140.0/127.0/150.0	15~25 pcs/min	±0.5 mm	L:15mm~200mm W(H):15~130mm	L:20mm~200mm W:20~150mm H:0.2mm~120mm

FK910

Product Detail

*Can be applied to all kinds flat/square/round container double side labeling simultaneously. *Can be connected to production line. *Support customization , such as adding a date printer.

FK910

Automatic Double Side Labeling Machine

Meas.(cm)	Labeling Speed	Labeling Tolerance	Label Size	Product Size
325.0/130.0/160.0	30~160 pcs/min	±1 mm	L:15mm~100mm W(H):15~130mm	L:20mm~200mm W:20~150mm H:0.2mm~120mm
